

# WRITE A STORY

*You are sitting outside near a beautiful garden. You love how it smells and you hear the buzzing of a bumblebee around you. You fall asleep and have a dream where you turn into a butterfly. What happens next?*

*Directions: Fill in the blanks with your what happens in your dream and remember to use your imagination! 💡*

*Describe the Characters. (Hint: Start with you, the garden, and the bumblebee. Can you think of any other characters to include in your story? What do they look like? What do they sound like?)*

---

---

---

*Describe the Setting. (Hint: Where is the garden? In a local park? Or your backyard? Or in a neighbor's backyard? What is the weather like? What flowers grow in the garden?)*

---

---

---

*Describe the Problem. (Hint: You turned into a butterfly! What happens next? How does it make you feel to be a butterfly? Good or bad? Why? Can you do things as a butterfly that you can't do as a human?)*

---

---

---

*Describe the Solution. (Hint: Do you decide to be a butterfly to explore your setting? Or do you try to find ways to become a human again? Maybe you ask the flowers or the bumblebee for help in trying to be a human again? Or maybe you decide to remain a butterfly.)*
